

GAP YEAR DISCIPLESHIP PROGRAM

GIVE YOUR CHILD THE GIFT OF A YEAR THAT WILL TRANSFORM & SHAPE THEIR FUTURE

As parents, we all want our children and grandchildren to thrive in today's world, but we also want them to stay grounded in their faith, character and values. After school, it's easy for them to get lost in the rush of career and life decisions. That's why this gap year program is so important - it gives them the time and space they need to mature, grow, and truly discover who they are and what their purpose in life is.

GAP YEAR DISCIPLESHIP PROGRAM

PATHFINDER-IMPACT CURRICULUM

Our curriculum combines discipleship, leadership, character development and faith with coaching, mentoring and fun team collaboration, in healthy Christian community. We encourage students to take the Kingdom of God to any of the seven mountains of culture.

The Pathfinder-Impact discipleship program structures the personal and spiritual development of students into 4 phases with multiple modules and learning processes throughout the phases, re-enforcing core concepts of discipleship, family, life skills and adventure learning, each with specific outcomes.

Pathfinder-Impact program covers several subjects, and activities as the core program all built around the concept and principles of the Kingdom. We regularly invite subject experts to share their experience and gifting with our students, adding a dynamic aspect to the program. Part of our curriculum requires us to source leading books, and training series, encouraging students to read or watch these in their free time.

Classes consist of daily teaching sessions, interactive discussions, worship and group assignments in a relaxed atmosphere, and with latest technology and visual components. Lifestyle disciplines are encouraged, and our camps and outings are purpose designed to expand, emphasize or bring practical elements of the program into practice. We keep it fun and position ourselves as coaches and mentors to the students.
